

I Just Don't Get Me

Lyrics by Mitchell Charles

Who's that staring back at me?
A face familiar, (with) eyes blank and empty
I catch my reflection and turn away
An imposter, a stranger, loath to face another day

I just don't get me
Why I act this way
Foolish misdeeds
Keep leading me astray
I just don't get me
I'm fading, day by day

I pace the room anxiously
Trapped like a prisoner, paralyzed and lonely
I seek the courage to break free
A voice inside stops me, in a moment of clarity

I Just don't get me
I'm living a lie
I just don't get me
No matter how hard I try
I just don't get me
How'd it all go awry?
I'm in a state of reflection
Praying for redemption
I'm finding my direction
My ultimate resurrection

Now I get me
I'm finding my way
My burden's lighter
Brighter day by day
Now I get me
My past is fading away
